E.L.D. PROPOSES LAND PAYMENT PLAN FOR CONSIDERATION

At a recent meeting of the trustees with the contact men very full discussion took place with regard to land payments. The meeting recommended that owing to the very adverse harvest conditions this year land payments due December 1st, 1940 should be deferred without interest to the end of the existing contract. The Board of Trustees at its meeting on December 15th is intending to put this into effect.

The discussion made clear the fact that the water users in general throughout the District realize fully that the credit and stability of the District would be seriously hurt if deferring land payments became a common practice. It seemed to be general opinion that some payment should be made on land each year under any ordinary circumstances. The discussion centered around the question of some plan of payment which would automatically adjust itself to conditions so that there would be small payments in bad years and higher payments in good years.

A number of different suggestions were made and it was finally arranged that a committee consisting of a number of different persons should be submitted to the contact holders in order that the trustees might get an idea of the general feeling in the District.

It is realized that in order to intelligently express an opinion every one should have more information regarding the various proposals than could reasonably be placed on the ballot itself. It has, therefore, been decided that a short explanation with regard to the various proposed plans should be published for two or three weeks before the ballots are sent out.

The information is in this issue of the paper and will be repeated in the two next succeeding issues. It is of course understood that there is no case against any contract in good standing being altered, unless the holder desired. It is understood also that nothing in connection with this whole matter would in any way at any time change the necessity for paying in full every year.

Early in January ballots will go out to all contract holders. It is hoped every one will carefully read the proposals and give their careful thought. One can give in a position to mark the ballots intelligently. Return of ballots before late February will be required.

LAND PAYMENT PROPOSALS FOR CONSIDERATION OF CONTRACT HOLDERS

GEM XMAS CONCERT TO BE HELD IN SCHOOL HOUSE

A correction to an article appearing in the last issue of the Recorder is drawn to the attention of readers. Last week it was stated that a Xmas Concert would be held in the Gem Hall on December 20th. This should have read: A Christmas Concert will be held in the Gem School House on December 20th.

SUCCESSFUL TEA AND SALE HELD SATURDAY LAST

Under the auspices of the Bassano R.C. Ladies Altar Society, a very successful Tea and Sale of Work was held in the I.O.O.F. Hall on Saturday last week. Approximately one hundred and ten dollars was taken in by the Secretary, of which a large part will be profit realized from the efforts of the members.

The success of the entertainment was no doubt due to the extensive cooperation of the citizens and businessmen of Bassano and district who contributed articles to the sale, and attended the function during the afternoon or evening. The Altar Society wishes to thank all those who assisted in any manner.

The Christmas Hamper, containing a wide variety of Christmas Goods was won by a resident of Scandia District, whose name at time of going to press was not available. Sally Laakodi of Banman, won a small cash prize for selling the largest number of tickets on the hamper, and assisting with the work.

A Christmas Cake, donated by McGiverns Bakery of Calgary was won by Mrs. L. J. Bagnall, and a Doll donated by the Society was won by Joie Headlock.

The tea and sale was well attended, and altogether, the members of the Society are well satisfied with the results of their efforts.

In some districts in Alberta such a plan is now in effect. A fixed share of all crops belongs to the District each year.

The share is usually higher for grains and hay than for roots such as potatoes and beets.

Collections are made through the elevators as is the practice in the E.L.D.

The proceeds of the Districts (Continued on Page 1)

BOARD OF TRADE MEETS IN IMPERIAL HOTEL

The regular meeting of the Bassano Board of Trade was held in the Lanchester Room of the Imperial Hotel on Wednesday afternoon of this week, at 1:30 p.m. Due to the illness of President James Johnson, and absence of Vice-President H. W. Harper, Mr. A. McKee conducted the meeting in an orderly fashion and business was quickly disposed of.

The meeting opened with the reading of the minutes of the last meeting, which were declared adopted. Following this, the secretary reported on behalf of the executive, and read the financial statement.

It was reported to the meeting that the "executive had been in touch with Mr. Riley, representative of the Calgary Power Co. with regard to erection of a decorative street light. It is understood that the lights will be placed in service early next week, and will remain constant with few years. A number of new light bulbs are being purchased to replace those broken during the summer.

No reports were heard from committees of the organization, with the exception of the membership committee. This committee, composed of Mr. H. Holmes, Mr. J. Harris and Mr. McMillan, reported that it is expected that membership in the Bassano Board of Trade will increase considerably next year, and already a number of prospective members have signified their intention of joining the organization.

The entertainment committee reported that Mr. R. J. Needham, member of the editorial staff of the Calgary Herald, expected to be able to address the local organization at their first meeting of the year, and the secretary was instructed to contact him.

The first meeting of the new year will be held on January 6th, with the annual meeting being held two weeks following. Further information will be published in a later issue of the Recorder.

Mr. Holmes spoke briefly to the meeting and asked for a small contribution to Local Sunshine. A grant of ten dollars was authorized for this purpose.

JO. HOCKEY CLUB SPONSORING NEW YEARS DANCE

Sponsored by the Bassano Junior Hockey Club, a New Year's Dance will be held in the Masonic Hall on Wednesday evening, January 3, 1941. Proceeds of the dance will go to the Club to assist them in purchasing needed equipment to carry out their schedule of games through the winter months.

Music for the occasion will be supplied by Rudy Miller and his bar piece orchestra of Brooks. This band has become quite popular in the district during the past two years, and a fine time is assured to all who attend.

Keep the date in mind, Wednesday evening, January 3. There are no other dances in the district this evening, so make Bassano your centre of attraction. Novelties will be provided to add to the merriment of the occasion.

SCHMIDT'S TRANSFER CHANGES HANDS

A change in the ownership of Schmidt's Transfer took place last week when Mr. Geo. McMorris of Milo purchased the equipment formerly operated by J. Schmidt of Calgary on the transport line operated between Brooks and Calgary. Mr. McMorris has been in the transport and bus business for a number of years, and has operated the "Sunshine" Bus Line from Calgary to Milo for the past eight years. He announces elsewhere in this issue that Schmidt's transfer will be in the future be known as Sunshine Transportation.

BOB HARPER STATIONED AT MACLEOD

Mr. and Mrs. Harper Major of Medicine Hat in Meet Son Wednesday.

Mr. and Mrs. H. W. Harper of Bassano returned to Medicine Hat on Wednesday of this week, where they met their son, Robert, who recently returned from England where he was serving with the Royal Air Force. Unfortunately, "Bob" could not be granted leave to visit his home at this time, but Mr. Harper says that he expects him to be home during the Christmas holiday season.

Bob, possessor of the Distinguished Flying Cross, will be stationed at Macleod, as an instructor for the next few weeks.

Both Mr. and Mrs. Harper are extremely pleased that their son is being sent to Canada, and state that he is looking exceptionally well. Their visit with their son lasted for approximately two hours while Bob, a party of officers and men of the R.C.A.F. were waiting connections with the train from Lethbridge to Medicine Hat.

HOSPITAL BOARD HELD REGULAR MEETING

Meeting at the Hospital on Saturday December 15th, the Hospital Board held its regular business session in the afternoon. All members were present.

A letter from Toole, Peet and Co. regarding insurance was read and tabled until the next meeting as was also a letter from the Supervisor of Municipal Hospitals respecting matters of operating policy.

Accounts totalling \$204.86 were paid for Christmas, and anti-consumption of clothing and gifts to the secretary of the committee as quickly as possible. Mr. J. R. Donaldson is secretary of the committee, and a telephone call to him is all the work you will have to do. As secretary he will give instructions to members of the Committee as to where articles may be picked up, and someone will call on you soon after your phone call is received.

NEWS FROM THE BASSANO RIFLE CLUB

During the past week, regular shooting competitions were again conducted practically every evening, with a large number of the sportsmen are making perfect scores to enter the silver teaspoon competitions. During the early part of the week, the target was not distinguished himself in perfect score, and before anyone else had entered the 100 class, he had scored ten perfect targets in one teaspoon, and several on his second round. Among the others who have scored 100 are B. Downs, J. Warren, E. Marquardt, B. Plummer, C. Johnson, L. Edwards and C. Hanna.

Averages for the past ten targets show the following high scores: Men's Senior Group—T. Lamont 93.3; Best Downs 91.8; F. Cary 92.2.

Men's Junior Group—W. Stiles 97.0; R. Stiles 96.1; G. Catbrow 96.2.

Ladies' Group—C. McBeth 96.3; P. Plummer 95.3; E. Downs 95.3. The "Jitter" Shoot on Saturday evening of last week did not go over as big as had been anticipated, probably due to the expert marksmanship of Miss Connie McBeth.

Connie, shooting with a handicap of ten points, scored 97 on her target, giving her a total of 107 points. Those shooting with less of a handicap could not possibly beat this mark, and consequently only a few targets were entered in the competition.

On Saturday evening of this week a Turkey Shoot will be held on the rifle range. All shooters will have an equal chance of winning in this event, as special "lucky" targets are being prepared for the occasion. These targets are made up of a number of small squares, each containing a number. It will be impossible for the shooter to distinguish the high from the low figures, and the numbers are so spaced about the target that no one section could produce a higher score than any other section. As cordially invited to attend.

YOUTH TRAINING COURSE --- Open In Bassano on January 8th

RURAL MECHANICAL COURSES FOR FARM BOYS

Nearly every boy is interested in mechanics, and the farm boy is no exception.

PRESBYTERIAN SUNDAY SCHOOL CHRISTMAS CONCERT AND TREE

On Friday, December 20th, the Presbyterian Sunday School will hold their annual Christmas Concert at 8 p.m. sharp. The concert will consist of Plays, Dialogues, Recitations, Musical numbers, Drills, etc., which are now being prepared by the Teachers in readiness for the programme. Following the usual Christmas, and anti-consumption of clothing and gifts to the secretary of the committee as quickly as possible. Mr. J. R. Donaldson is secretary of the committee, and a telephone call to him is all the work you will have to do. As secretary he will give instructions to members of the Committee as to where articles may be picked up, and someone will call on you soon after your phone call is received.

FIRE TRUCK BAKES WHEN ALARM TURNED IN

Members of the local Fire Brigade and citizens of the town in general were quite disgusted when the Fire Truck failed to operate when an alarm was turned in on Thursday evening of last week. Fortunately the fire was only in a chimney, and chemical tanks were rushed to the scene to prevent any danger of the fire spreading.

Since the truck had been placed in service, it has only been called out on one other occasion to control a fire, and that was when a vacant lot caught fire early in the summer. Regular practices have been called, and on each it has appeared to be operating efficiently. Nevertheless, when the first real test came, there was immediate danger of a house fire, the motor failed to operate as it should. A complete check-up on the motor and truck in a local garage revealed that several new parts were necessary, and these were installed immediately. At time of going to press this week, the truck is back in service, and tests have indicated that it is ready to meet any emergency.

long as a person can shoot into the target, his chances of winning are equal to those of the best shot in the club. The targets are about six inches square. Each person entering the competition will be assigned the, and a certain number of targets will be shot for each part. Everyone wishing to take part is cordially invited to attend.

In farm mechanics, the Department of Agriculture is directing a series of rural mechanical courses for farm boys under supervision of the Dominion-Provincial Youth Training Plan.

One of the Courses to be held under this plan will begin on January 8th, 1941, in Bassano, and will continue for six weeks ending on February 15th. The importance of studying farm mechanics is indicated by the fact that over \$60,000.00 is invested in farm machinery in the Province of Alberta, and the owners of this equipment are justified in spending some time and effort to learn as much as possible about its care and management as possible and at a minimum of expense.

The course to be given in Bassano will consist of motor mechanics, farm machinery, blacksmithing, carpentry and soils and cultural practices. In the motor mechanics section, a lot of time will be spent on internal combustion engines, as well as diesel engines. The course in farm machinery will take up the care, operation and repairing of farm machinery typical to the district. In the blacksmithing course, the ordinary farm blacksmithing will be taught. This will include welding, the making and care of blacksmith tools, and the making of simple pieces of farm equipment.

The carpentry courses will be a general nature and will fit the students to make and repair common ordinary farm woodwork. The course in soils and cultural practices will be a series of lectures which will relate the farm machinery to the soils and the farming practices used in the district. The course is open to farm boys between the ages of 18 and 30, and the amount of equipment is limited, not more than 40 students can be accepted. There are no fees for the course, except a \$2.00 shop fee, which is used to buy lumber and iron. Students who wish to make larger articles such as troughs, etc., must buy the material required.

To assist farm youth to attend this course, a small monthly grant is available under the Dominion-Provincial Youth Training Plan to assist students with their living expenses, while attending school. Particulars of this assistance may be obtained from the local committee.

The courses are very practical in nature. Most of the time is spent on the shop where the students earn by doing. Boys having a set of tools of their own are encouraged to bring them along.

Full information regarding this course may be obtained from Mr. J. R. Donaldson, Bassano, or from Mr. W. J. Elliott, Supervisor, Youth Training Plan, Parliament Building, Edmonton, Alberta.

SUNSHINE TRANSPORTATION

Having taken over Schmidt's Transport, we will appreciate the continuance of your patronage, and will continue to give the same efficient service that has been given in the past.

crop share are usually applied as follows:

1st. on Irrigation Rates.

2nd on Interest on Land Payments.

3rd on Principal of Land Payments.

If the crop share is more than enough to pay water rates the balance is applied on the land. There is no fixed amount payable each year on land.

When the amount allotted to land each year totals enough to pay the

man of that committee.

The Misses Lois Nelson and Marie Burdett of Chancellors were Sunday visitors here.

Mrs. T. Lawson and Mrs. E. J. Bell motored to Standard on Tuesday evening.

Robert Hulen, who had been ill in the Bassano Hospital, following an operation returned home with his parents on Friday, last. He is doing well.

Mrs. V. P. Legrandeur, who has been visiting her sister Mrs. Mitchell in Medicine Hat, returned home the first of last week.

Mr. and Mrs. James Stewart motored to Calgary on Thursday. The couple has noticed such an extent, that many are combining or throwing again. Roads are quite fair around and about.

Ladies Aid will meet Mrs. H. D. Brown on Thursday afternoon.

Among Calgary visitors on Friday were Mr. and Mrs. J. C. Lawson, Mrs. H. D. Brown and Miss Ruth Brown.

The community of Hussar has again responded in its usual generous way to the call of need among its citizens.

A shower of gifts, vegetables and fruit, for Mrs. Jack Kirkpatrick, was held the home of Mrs. E. J. Bell, with Mesdames T. Burdett, G. Brown, H. Buckshmidt and J. C. Bell assisting hostesses. As the home of Mr. and Mrs. Kirkpatrick had been destroyed by fire on Wednesday, with all their personal belongings, the neighbors endeavored to express their sympathy for the young couple by having a small home in refurnishing their new home. Miss Ruth Brown contributed a beautiful plant to the program of the afternoon.

In addition to this shower of gifts, the men of the community contributed some \$20.00 in cash; Mr. R. Jans being convener of that committee.

REV. JAMES MORROW—PASTOR

Church of England

BASSANO, ALBERTA

Rev. J. H. Naylor

Knox Presbyterian Church

11 am Sunday School

7:30 pm Worship Service

Everyone Welcome to Worship with us Morning and Evening.

—Charles F. Laine, Pastor—

land contract title issue.

Contracts would, of course, be subject to cancellation in any case where a reasonable amount was not produced to apply on land principal over periodic check-up intervals.

(2) Crop Share Payment

On Land Alone

As it is recognized that water must be paid in full anyway, the possibility of a modified crop share plan suggests itself.

The proposal would be similar to No. (1) except that the water rates would be payable in cash and a fixed share of crop would be turned in on land each year.

(3) Bushels of Wheat

This proposal is that a fixed number of bushels of wheat would be turned in each year. The proceeds of sale of this would be applied on payment for land.

Where a man was not growing wheat he would turn in the equivalent in value in cash or in some

other product.

There would be no definite amount of land payment due in any year.

Whatever amount was realized would be applied on land payment. When the total paid up the contract, title would be issued.

Water users would be payable in cash.

(4) Sliding Scale of Land Payments Based on the Price of Wheat

This proposal contemplates adjusting the amount of the regular land payment each year in accordance with the price of wheat.

If wheat were \$1.00 per bushel the full regular land payment would be required.

If wheat were 90c a bushel no land payment would be required.

Land payments would be reduced proportionately for wheat prices between \$1.00 and 90c or increased proportionately for wheat prices over \$1.00.

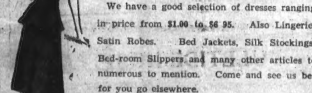

STOCK REDUCING XMAS SALE

We give you the privilege of doing your Christmas Shopping at greatly reduced prices on all lines.

Local Items

Mrs. B. Arrington and family, of Montclair, spent the latter part of last week visiting at the home of Mr. and Mrs. Schell.

Mr. and Mrs. J. H. Schell of Bassano were Calgary visitors on Saturday of last week.

Mrs. Snape, Mrs. Finnagan, Mrs. Heffebower and Mrs. Myrdock were Calgary visitors on Saturday last.

A number of local women visited at the home of Mrs. Heffebower in Glenora last Sunday.

Art Wiley, former seller in the local branch of the Royal Bank, passed through Bassano on Tuesday night of this week, on route overseas with his military unit.

Don Crowe, of Macleod, is relieving Mr. C. Hopkins on the local C.P.R. staff.

Bob Bacon was a Medicine Hat visitor on Tuesday and Wednesday of this week.

Gen. David Walsh, who visited his mother in Bassano for a few days last week, returned to Barracks in Winnipeg on Friday of last week.

Mrs. MacLeod and daughter, Betty, of Medicine Hat, were weekend visitors of Mr. and Mrs. L. Y. Birnie.

Archibald LePage was a Calgary visitor on Thursday of this week.

Miss Boneta Johnson, and Mrs. Ival Warren of Bassano were Calgary visitors on Wednesday and Thursday of this week, where Mr. Warren underwent examinations prior to entering the R.C.A.F.

Mr. Larry Edwards was a business visitor in Calgary last week. Midnight Services will be conducted on Christmas Eve in St. Columba R. C. Church, Bassano.

Rev. P. Morrow officiating.

FAREWELL PARTY IN HONOR OF MISS JEAN LEES
A number of local young people met in the I.O.O.F. Hall 60 Thursday evening, December 13th, at a surprise Farewell Party in honor of Miss Jean Lees, who has been a resident of Bassano for the past two years. The early part of the evening was spent in playing games following which lunch was served and dancing enjoyed. During the lunch, Ted Stiles, on behalf of Jean's many friends in Bassano, presented her with a beautiful Ronson Compact and Cigarette Lighter, and expressed regret at hearing of her departure. Miss Lees has been nurse in Dr. Scott's office since arriving in Bassano, and during her stay here, has made many friends in the district. Always interested in sports, Miss Jean will be greatly missed in the community.

OPEN NIGHT IN F. T. CLASSES
Next Monday evening, December 16th, will be open night for visitors to the Ladies Physical Training Classes being conducted each Monday and Wednesday evening in Bassano. The open night is held in accordance with regulations governing the operation of the classes, and all persons, men or women, are invited to attend.

New Ford Cars For 1941 Are Larger

ROOMIER bodies and improved riding qualities are combined with smart new appearance in the new Ford cars for 1941. Presented by the Canadian Ford Company in two lines, the De Luxe and the Super De Luxe Fords are built with a longer wheelbase to provide for the longer and broader bodies. Running boards are partially concealed. Seating widths have been increased as much as seven inches and there is greater shoulder and headroom, (left). Much better vision is afforded both driver and passengers as glass areas have been substantially increased, up to 33 per cent increase in coupes. Front ends are restyled as shown in the Super De Luxe Fordor above.

Skating 1 to 4:30 p.m.
Skating 8 to 10 p.m.

The Management reserves the right to cancel or change any of the above hours for skating, hockey practice, etc., at their discretion.

RATES:—

Family Ticket \$5.00
Gentlemen 3.00
Ladies 2.50

Students & Children 1.50

Those participating in hockey games, practice, etc., will be required to hold season tickets otherwise a charge will be made as follows:—Adults 25c and children 15c for each practice or game etc.

CLASSIFIED ADVTs.
"Midget Money Makers."

ALBERTA LICENSE PLATES BLACK and WHITE in 1941

Alberta's motor license plates for the next license year, which opens on April 1, will be white numerals on a black background, according to a recent announcement by E. Trowbridge deputy provincial secretary.

It will be the first time in a long period of years that this combination has been selected for this province.

For the present year, the plate colors are black numerals on an orange background.

SHOWER IN HONOR OF MRS. H. MARQUARDT

A linen shower in honor of Mrs. Harry Marquardt was held Wednesday at the Cowan home. Mrs. Cowan and Mrs. Wm. Ferraby were hostesses for the occasion. A beautiful decorated parasol, laden with many lovely gifts was presented to the bride. A delicious luncheon was served to the thirty-five guests.

The Canadian fighter squadrons already in the thick of it. The Royal Canadian Air Force with 25,000 officers and men to take up the task so gallantly begun... 6,000 in training under the Commonwealth Plan—2,000 more to be enlisted almost at once.

Faster faster the wheels of industry turn to provide the machines so urgently needed now. Orders for aircraft, totalling \$100,000,000 already placed. More coming...

The price of freedom comes high... in lives, in personal sacrifice... in hard cold dollars. Canadians gladly pay that price.

At this proud hour it is the plain duty of every working Canadian to save, that he may be prepared to lend his savings to the nation when the call for money comes. For come it will if Canada is to play her part worthily in this struggle for freedom and human decency.

Build up your savings now.... Keep at it.

Save for Victory

COUNTESS

Mrs. Cador went to Calgary Friday to meet her daughter, Miss Pauline Cador, who has recently received her R. N. from the Catholic Hospital at Vegreville.

Mr. and Mrs. H. P. Ferguson and Mrs. E. Jones motored to Dorothy on Saturday. Mrs. Jones who has been visiting at the Hawe's home intends to spend the winter in Dorothy.

Miss Eveline Ferguson returned home from Dorothy with her par-

ents.

Bruce Fulton who has been visiting at his sister's home, Mrs. R. Burrows, returned to his home in Rimbey.

Mrs. George Ferraby and son, Melvin, were visiting at the Wm. Ferraby home. Mrs. G. Ferraby is returning to St. Thomas to join her husband who is in the airforce there.

Mrs. Don Grainger has been substitute teaching at the Clemenceau School for Miss Grace Evitt who has been ill.

A surprise party was held at the Countess Hall in honor of Miss Donna Gamble who is returning to the Deaconess Hospital at Great Falls to resume her nurses training there. The large crowd of young people who attended spent an enjoyable evening dancing with music supplied by the Bassano High School Orchestra. Donna was presented with a nifty travel-case. Shortly after midnight lunch was served.

ROSEMARY

Mr. Eldon Palmer who recently returned from Brazil where he was a Missionary, is spending some time with his father Mr. Parley Palmer and his brother, La Mar Palmer.

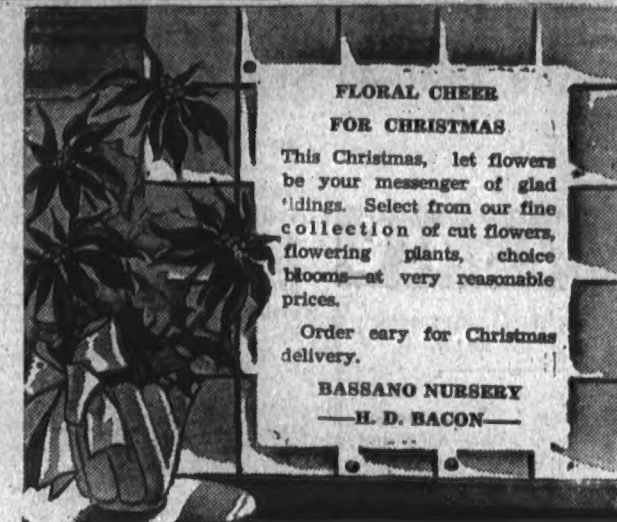

Mr. Ernest Wendellboe and Mr. Herman Ockey of Stavely were week-end business visitors.

Mr. Roland Eastman was a Calgary visitor Monday, December 9. A Relief Society Bazaar and Dance will be held here this Friday, December 13th. A good time is expected.

Mr. and Mrs. McMullen of Barnwell were Rosemary visitors at the L. D. S. Church on Sunday, December 8th.

Bazaar and Sale December 14

Sponsored by the Ladies Aid of Knox Presbyterian Church, a Bazaar and Sale of Home Cooking will be held in the Basement of the Church on Saturday afternoon, December 14th. The Bazaar and Sale will be held between the hours of 3 p.m. and 6 p.m. All persons of the district are cordially in-

By
Dr. K. W. Neatby

Director, Agricultural Department
North-West Line Elevators Association

Farmers often have occasion to find out how much grain is contained in a granary or bin. It is also useful to know how large a bin must be to hold a given amount of wheat. The necessary information is included here, so the reader should cut this out of the paper and keep it.

The first step is to find the cubical contents of the bin. For square or rectangular bins, the number of cubic feet can be found by multiplying the length x width x depth. For round bins multiply the radius x radius x 3.14 x depth (the radius is one-half the diameter).

For example, suppose our bin is 8x16 and the grain is 6 feet deep, then:

8x16x6=768 cubic feet.
Then if we have a round bin 16 feet in diameter (radius 8 feet) with the grain 7 feet deep:

8x8x3.14x7=1,406.72 cubic feet.
In order to convert cubic feet to measured bushels, it is only necessary to multiply by 0.8. Therefore, our first bin contains 768x0.8=614.4 measured bushels. Our second bin contains 1,406.72, or roughly 1,407, cubic feet. This is 1,407x0.8=1,125.6 measured bushels.

If it is desired to determine the number of bushels by weight, simply multiply the figure for measured bushels by the actual weight per bushel, and divide by the legal weight (wheat, 60 lb.; barley, 48 lb.; oats, 34 lb.). If, in our first example, the grain was wheat weighing 65-lb. per bushel, we would have 614.4x65/60=665.6 bushels.

Problem: What would be the dimensions of a bin you would build for 2,000 bushels of barley weighing 52-lb. per bushel?

XMAS ROUND TRIP EXCURSIONS

FARE AND ONE QUARTER
ON SALE DEC. 23rd TO DEC 25th
RETURN LIMIT DEC. 26th

NEW YEARS ROUND TRIP EXCURSIONS

AT
FARE AND ONE QUARTER
ON SALE DEC. 30 TO JAN 1
RETURN LIMIT JAN 2

COMBINATION XMAS AND NEW YEARS ROUND TRIP EXCURSIONS

AT FARE & ONE THIRD
ON SALE DEC. 20th TO JAN. 1st
RETURN LIMIT JAN. 7th

SPECIAL TEACHERS & STUDENTS ROUND TRIP EXCURSIONS AT

FARE AND ONE QUARTER
ON SALE DAILY TO JAN 1st
RETURN LIMIT JAN 31
